Labour Market Information for Parents & Students

Welcome to our Labour Market Information page! Here, you will find helpful resources to learn about different jobs and what they offer. This information can help you make smart choices about your future career.

Careerometer Tool

Explore and Compare Careers with the Careerometer!

The Careerometer tool is a fun way to compare up to three different jobs. You can find out how much you can earn, how many hours you might work, and whether the job will be around in the future. This tool helps you understand different careers and make good decisions about what you want to do when you grow up.

- **How to Use the Careerometer**:
  1. Type in the name of the job you are interested in.
  2. Choose from the options that appear.
  3. Add up to two more jobs to compare.
  4. You can also see the UK average for comparison.

You can try the Careerometer tool here: Careerometer – LMI For All
