

www.startprofile.com/

If you are unsure of what career to choose, or you want to find out more about what skills and qualifications are required for a particular job, this is a very good website. Log in as a guest.

www.skillsbuilder.org/

Helps students to develop the essential skills for work.

<https://nationalcareers.service.gov.uk/>

A government careers information service. Similar to Startprofile, it helps with career guidance. The website asks you about your personality in order to give you personalised career options. Links to professional and trade bodies too.

<https://www.gov.uk/apply-apprenticeship>

Search for apprenticeship opportunities in your area and further afield.
