

National Apprenticeship Week takes place between 6th and 12th February 2023.

To help your child to make informed choices and prepare for their entry into the world of work, our school uses the **Start platform** to support our careers programme. Your child will either have been given a login or been asked to create an account. Details are:

<https://careers.startprofile.com>

You can access this content without logging in but you can also create your own free account as a parent/carer to familiarise yourself with the information available, which includes helpful information about jobs and career opportunities in our region as well as links to local education and training provision.

The website below, offers a comprehensive guide to apprenticeships.
