

Inspiring Excellence: St Paul's encouragement to the early Christian Church

- St Paul wrote letters to the early Christian Church for encouragement and unity. He reminded them that excellence must go hand in hand with faith. God has a purpose for all, and we must do our best to fulfil our potential.
- "But since you excel in everything – in faith, in speech, in knowledge, in complete earnestness and in the love, we have kindled in you– see that you also excel in this grace of giving." 2 Corinthians 8:7
- Our love of Christ makes us strive to do our best and aim for excellence in all we do. It is not enough to do the bare minimum – God knows our path and knows what we are capable of. Our actions dictate our reputation.
