

Monday 8TH June 2026

Dear Parent/Carer,

We are excited to be planning our final rewards trip of the year to Alton Towers on Wednesday 15th July.

At Ludlow CE School, we recognise the importance of good attendance and are committed to rewarding those students who consistently meet our expectations. We are very aware of the significant impact that attendance has on a young person's progress, attainment and future opportunities.

At the end of the summer term, we will be offering students the opportunity to attend this rewards trip if they meet our attendance criteria. Students will be eligible if they have achieved:

- **95% attendance for the summer term, or**
- **95% cumulative attendance across the whole academic year**

Please note that students will not be invited if they have received any suspensions during the summer term, regardless of their attendance.

Further details, including the date and cost of the trip, will be shared later in the term.

In the meantime, we hope this provides encouragement for all students to continue striving for excellent attendance. Even those who are currently below 95% overall still have the opportunity to qualify by improving their attendance during the summer term.

We look forward to being able to offer this exciting opportunity to as many students as possible.

Yours sincerely,

Emma Morris
Assistant Headteacher
