

5<sup>th</sup> May 2026

Dear Parents/Carers of Year 11

Last week, you will all have received your child's final report from Ludlow School. Hopefully there were lots of positives but also things to work on for the upcoming exams.

Art and Spanish students had some successful exam days last week, now our other subjects follow with the main block of exams starting this week on Thursday 7<sup>th</sup> May in the Sports Hall.

In preparation for their exams, students have been having lessons in the Exam Hall and we have been very impressed with their engagement and resilience. As Dr Dale mentioned in a previous message, we will now be adapting the Year 11 timetable to enable specific subject coaching directly before their exams and students have been given a copy of this today. We will also be starting a free of charge Breakfast Club from Wednesday 6<sup>th</sup> May, where students can access toast and juice from 8.30am in the Dining Room. This will hopefully help them keep their focus through morning exams. Lunch arrangements have also changed and will be between 12.55pm and 1.20pm for those students with afternoon exams.

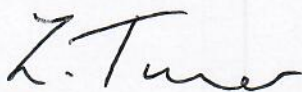

From Wednesday 6<sup>th</sup> May, morning tutor times will move to the Main Hall for the whole year group. This is to enable subject staff easy access to students in order to give any last-minute advice.

Students have been kept informed of changes through regular assemblies in school and have also been coached on how to prepare themselves at home. Hopefully, students are eating, hydrating and sleeping well in preparation for exams.

If you are concerned about your child throughout the exam period, or have any questions regarding exams, please do not hesitate to get in touch. We will also be in touch in due course to explain the arrangements for shirt signing afternoon (12<sup>th</sup> June), Leaver's Day (24<sup>th</sup> June) and the Summer Ball (26<sup>th</sup> June).

All that remains is to wish our amazing students the best of luck for the upcoming exams, we hope they believe in themselves and all they have studied.

Yours sincerely

Mrs Z Turner  
Head of Year 11
