Dear Parents and Carers

Wear Red Day - Stamp Out Racism

As part of our commitment to promoting equality, respect and inclusion, we will be taking part in Wear Red Day on Friday 16 October 2026 to support the important message of Stamp Out Racism.

Wear Red Day is an annual anti-racism campaign organised by Show Racism the Red Card, which encourages schools, workplaces and communities across the UK to come together to challenge racism and celebrate diversity.

As with last year, students will be expected to wear their full and correct school uniform. However, they are invited to complement their uniform with a small item of red to show their support for the event.

Examples of suitable red items include:

- Red ribbons
- Red hair accessories
- Red socks
- Red wristbands
- Small red badges

Please note that these items should be modest additions to the usual school uniform and should not replace any part of it.

We look forward to seeing our students take part and help raise awareness of the importance of challenging racism, promoting inclusion and celebrating the diversity within our school community.

Thank you for your continued support.

Yours sincerely
