2<sup>nd</sup> October 2026

Dear Parents and Carers

As part of our support for students studying the OCR Level 1/2 Cambridge National in Child Development course, we are offering the opportunity to purchase a revision guide designed specifically for this qualification.

The revision guide provides a clear summary of the examination content, which is worth 40% of the final grade. It is an excellent resource to support students with their upcoming mock examinations and their final examinations in the summer.

If you would like to purchase a revision guide for your child, this will be available through our online payment system, Scopay, from Monday 5 October. The payment window will close on Monday 19 October.

For parents and carers who would like to view the guide before purchasing, sample copies will be available at our Parents' Evening on Thursday 8 October.

We strongly encourage students to make use of this valuable revision resource as part of their preparation for both their mock and final examinations.

Thank you for your continued support.

Yours sincerely

A handwritten signature in black ink that reads 'E. Morris'.
