1 July 2026

Dear Parents and Carers

Uniform Adjustment Due to Forecast Hot Weather

With warmer weather forecast for next week, we have reviewed our uniform expectations to help ensure that students remain comfortable and safe whilst in school.

From Monday 6 July until the end of term, students will be permitted to attend school wearing their full and correct PE kit in place of their usual school uniform. This should consist of:

- A branded Ludlow CE School PE top
- Plain navy or black shorts (please note that Nike Pro-style shorts, hot pants, or similar items are not permitted)
- White sports socks
- Appropriate trainers

Students who choose not to wear PE kit should continue to wear the full school uniform as normal.

To help keep students safe during the warmer weather, please also ensure that your child:

- Brings a refillable water bottle to school each day
- Applies sunscreen before arriving at school
- Brings additional sunscreen if they may need to reapply it during the day

We will continue to monitor the weather conditions and will provide further updates if necessary.

Thank you for your support and cooperation.

Yours sincerely

A handwritten signature in black ink that reads 'E. Morris'.

Mrs E Morris
Assistant Headteacher
