Dear Parent/Carer

Subject: Changes to Tutor Groups – Summer Term 2

We would like to inform you of some changes to our tutor group arrangements, which will take place this half term and continue into the new academic year.

Following recent staff changes and a minor restructure, we are pleased to confirm that Mrs Turner, who moved to the role of Head of Year 11 in January, will take on the temporary role of Head of Key Stage 4 during this period of transition. She will begin this responsibility from the start of Summer Term 2 to provide continued support for students.

We would like to thank Mrs Turner for stepping into this important area of responsibility.

Our current Year 9 students have now moved into their option subjects and have begun their GCSE courses, marking an important step in their learning journey.

As students transition from Year 10 into Year 11, there have been some adjustments to tutor groups. Your child may experience a change of tutor; this information has been communicated to students individually in school.

These changes are designed to ensure continuity and provide strong support for students as they move into this important stage of their education.

If you have any questions or concerns, please do not hesitate to get in touch.

Yours sincerely

E. Morris
