Enterprise Co-ordinator

Today's career paths are more complex than ever. With over 20 years' experience as a Level 7 & 6 CEIAG qualified Careers Consultant/Leader in various settings, including mainstream schools, further and higher education, special educational needs and disabilities (SEND), pupil referral units (PRUs), and youth offending services, I've helped countless individuals navigate the complexities of today's challenging career landscape. My passion is empowering organisations to deliver high-quality careers guidance, enabling learners to gain the skills and confidence needed to achieve their goals.

As the **Careers and Enterprise Co-ordinator (EC)** at Ludlow School, my primary focus is on supporting the school to ensure that all students are well-prepared for their future. I work closely with staff to develop and implement effective career programs tailored to our students' needs. By providing personalized guidance and fostering connections with local businesses and community partners, I strive to equip every student with the knowledge, skills, and confidence to pursue their aspirations and succeed in their chosen career paths."
