

4th September 2026

Dear Parent/Carer

Year 7 Learning Activity Day

As part of our settling-in programme, we will be holding a special activity day for our Year 7 students this half term.

We will be visiting **Oaker Wood Leisure on Friday September 25th**, where students will enjoy a day of outdoor activities to encourage initiative and teamwork skills. The cost of the trip will be £40.00 and covers the activities and transport.

All students will do the low ropes activity and have a choice for the second activity, they should choose from the list on the reply slip. Please also select a second choice as some activities are limited in numbers. We will do all that we can to offer first choices

Students need to bring a packed lunch and drink. A packed lunch will be provided for those students who normally receive a free school lunch. Please send your child in clothes and trainers suitable for outdoor activities, along with a waterproof jacket and a **change of clothes, towel, and old trainers**. They are likely to get wet and muddy and will need dry clothes to return on the coach.

It is essential that students bring with them water, as drinks will not be provided by Oaker Wood, but there will be appropriate facilities to re-fill their water bottles in a safe manner.

Please complete the reply slip attached and return to Reception by **Wednesday 16th September**.

This day promises to offer an exciting and valuable learning experience for our students. Do not hesitate to contact me if you have any queries.

Yours sincerely

E. Morris
