Dear Parents/Carers

Congratulations to all our Year 11 students, parents, and carers for successfully navigating the summer exam season. Our students conducted themselves impeccably throughout, and we want to extend our sincere thanks to all parents and carers for the support you've given both your children and the school during this demanding period.

With the examination behind us we now must turn our attention to the results day and the communication of exam results.

Exam Results Day: Thursday 20th August 2026

- School opens for exam result collection at 09.00am and will remain open until 11.30am. Students can collect their results in person during this time.
- At 10.45am exam results will be emailed to student email addresses.

Please note that the school can only issue results in person to the student themselves unless a prior arrangement for collection on a student's behalf has been made by the student. To do this, students must email the Exams Officer, Miss Gittins, j.gittins@ludlowschool.com by the 10th July with the name of the person they are authorising to collect their results. An identification document matching the name given will need to be presented when collecting results.

If you have any questions or concerns regarding Exam Results Day or the collection of results, please contact Miss Gittins.

Yours sincerely

Dr J Dale
Assistant Head Teacher
