Dear Parents and Carers

School Uniform Update

We are aware of the difficulties many families have experienced in obtaining the new-style school skirt featuring the school logo. I would like to assure you that the school has been in regular communication with our uniform supplier and has consistently monitored the situation, raising concerns on behalf of our families to support the fulfilment of orders.

We fully understand and share your frustrations and would like to thank you for the patience, understanding and support you have shown during this period.

We have now been assured by the supplier that sufficient stock is available to fulfil all outstanding orders, with additional stock also available in store. As a result, we would expect all students to be wearing the correct school uniform from **Monday 5 October 2026**.

As a reminder:

- **Year 11 students only** may continue to wear the previous-style school skirt.
- Students in **Years 7 to 10** should either wear:
 - the new-style school skirt with the school logo, or
 - plain black school trousers in line with the school uniform policy.

Thank you once again for your patience, perseverance and continued support. We greatly appreciate the way our families have worked with us while this issue has been resolved.

Yours sincerely
