

10th June 2026

Dear Parents and Carers

I am writing to inform you that Year 10 students will be sitting their internal mock examinations between Thursday 18 June and Friday 26 June. The full timetable is attached for your reference. Each subject will be providing students with revision lists and resources during the course of this week to help them prepare effectively.

These mock exams play an important role in preparing students for their real GCSE examinations, which will take place in May–June 2027. Sitting formal assessments now helps students to:

- Experience exam conditions in a calm, familiar environment
- Identify strengths and areas that need further development
- Build confidence in managing time, structuring answers and applying knowledge under pressure
- Receive meaningful feedback that will guide their revision over the coming months

Your support at home can make a significant difference. Some helpful ways to support your child include:

- Encouraging them to use the revision materials provided by each subject
- Helping them to plan a realistic revision timetable
- Providing a quiet space to study and limiting distractions where possible
- Checking in regularly to see how they are feeling about each subject
- Ensuring they get plenty of rest, especially the night before each exam

If you have any questions about the mock exams or your child's preparation, please do not hesitate to contact myself via s.richards@ludlowschool.com.

Some students who are involved with D of E or visits during his week will have slightly amended schedules.

Thank you for your continued support.

Yours sincerely

Stephen Richards
Assistant Headteacher

YR 10 MOCKS		Period 1 09.05am	Period 2 10.05 am	Period 3	Period 4	PM exams start at 1.30PM - (Line-up 1.20pm)	Tutor time
