Dear Parents and Carers

Child Development NEA Key Dates 2026–2027

I am writing to share the key dates and deadlines for the **Child Development NEA (Non-Examined Assessment)** during the 2026–2027 academic year.

It is essential that students meet the internal deadlines outlined below. These deadlines allow sufficient time for work to be marked, moderated and all required documentation to be completed before submission to the Examination Board.

NEA 1: RO58

The internal deadline for all students is **Thursday 22 October 2026**.

NEA 2: RO59

The internal deadline for all students is **Friday 12 February 2027**.

Resits

Results for NEA 1 (RO58) will be shared with students on **Thursday 18 March 2027**.

Students may have the opportunity resit. The internal deadline for RO58 resit work is **Friday 26 March 2027**.

We would greatly appreciate your support in encouraging your child to manage their time effectively, attend lessons regularly and complete their coursework by the internal deadlines.

Meeting these deadlines is particularly important as staff need sufficient time after submission to mark and moderate students' work and complete the necessary examination documentation.

If your child is experiencing any difficulties that may affect their ability to meet a deadline, please encourage them to speak to their Child Development teacher as early as possible, rather than waiting until the submission date.

Thank you for your continued support.

Yours sincerely
