

A MOMENT OF REFLECTION

- *Please bow your heads for a moment of reflection:*
- *For those of all faiths and none, we ask for guidance and love, in supporting us in achieving **Excellence Together**, in all that we do. Give us **resilience** and strength to help us do our very best. Through the example of Jesus, help us to **care** for each other, **respect** each other, and **celebrate** our uniqueness, so that there are “**no divisions among us, perfectly united in mind and thought.**”*
- *Amen*
